### **Why CAP Retail?**

CAP Retail by POS Nation was designed specifically to help retailers take care of their customers by speeding up checkout, reducing errors, and increasing flexibility. Our simple, easy-to-understand interface makes training a breeze – and the customizable screen layout and color scheme let you make it your own. CAP Retail offers built-in features and add-ons like hotkeys, stored item images, and a big, bright customer-facing display for promotions and advertisements. Plus, integrated credit, debit, and gift card processing help retailers streamline their businesses into one simple interface.

### **Who Can Use CAP Retail?**

Any small business retailer! CAP Retail by POS Nation best serves liquor stores, groceries and markets, convenience stores, tobacco shops, lawn and garden centers, clothing and apparel shops, and hardware stores. Our software has several industry-specific features to offer, helping you stand out among the competition.

### **How Can I Manage My Business?**

CAP Retail offers a powerful back office with cloud capabilities and features, helping small business owners access critical business information anytime and anywhere. Get instant access to over 55 built-in reports and customizable report outputs, including a standard Excel export. Take advantage of our inventory forecasting tools to save time while ordering and reducing overhead. Manage vendors and create purchase orders easily, including system-generated orders and reorder predictions. Leverage the included customer database to power marketing efforts, bringing in more business and keeping regulars happy. CAP Retail also offers accounts receivable tracking with detailed statements, custom barcode and label printing, and out-of-scope PCI credit card technology for ongoing data security.
